Banking Circle connects the world's payment systems, enabling our clients to move funds in real time, globally.

Built for the
digital era

Flexible
integration

Competitive
pricing

Simplified
reconciliation

Headquartered in Luxembourg, Banking Circle Group has branches in Denmark, Germany, Norway, Sweden and the UK, subsidiaries in Australia, Liechtenstein and Singapore and a 'sister' banking entity in the US, with more growth to come.

TRUSTED TO PROCESS PAYMENTS AND DEPOSITS

Banking Circle processes all major currencies, securely and compliantly, helping those with global business ambitions serve their customers locally.

Expand internationally

Streamline operations

Optimise cash flow

Mitigate risk
