

WHY BANKS SHOULD PREPARE FOR REQUEST TO PAY

1/5

Fewer than one in five European Banks currently offer Request to Pay solutions

But there is an opportunity for Banks to expand their customer service offerings

Growth numbers from specialist Request to Pay providers suggest there is an enormous appetite for the service

Request to Pay popularity is rising fast, especially among the 18-34 age bracket

71%

of corporates say Request to Pay would reduce their dependency on payment cards
